

For 4- and 6-Week Camper Families

Dear Parents:

On July 25, the 1st session campers will be returning home. Your children will be staying over July 25 & 26, until July 27, when the second session campers will arrive. We have an amazing time planned, with a special outing , dinner out and a movie. We will pay for the cost of the outings and meals, but your child may want spending money. We suggest approximately \$20. You can send a check or give us cash (in a marked envelope) at the bus to hold for them.

Children staying 4-6 weeks will be able to call home during the session break. As time gets closer, please let us know which day and time would be best for your child to call you.

We look forward to spending the summer with your children at Wooden Acres Camp!
